Dear valued Waukesha Cherry Burrell customer,

To serve you better SPXFLOW have setup Superior Pump Technologies (SPT) as the exclusive spare parts distributor for Waukesha Cherry Burrell (WCB) spare parts in Australia.

This move was made in response to customer requests for faster response and better lead times.

SPT hold significant WCB spare parts stock with continually reviewed stock levels to ensure the best availability of parts.

There is no pricing difference going through SPT versus coming direct to SPXFLOW.

Please do not hesitate to contact us for all Waukesha Cherry-Burrell product related inquiries using contact details below:
